# One Meeting – 365 Days of Branding Your Products & Services to the International Developmental Psychobiology Research Community

On behalf of the International Society for Developmental Psychobiology (ISDP), we invite your company to partner with us for ISDP 2022 Hybrid: 55th Annual Meeting of the International Society for Developmental Psychobiology, November 9-11, 2022, at the Catamaran Resort Hotel & Spa in San Diego, California.

ISDP 2022 Hybrid Meeting provides an excellent opportunity for your brand to be exposed to over 500 delegates from the field of developmental psychobiology, as well as continued presence on the ISDP Website, social media and in emails to the membership.

## About ISDP

The ISDP is an international organization founded in 1968 for the purpose of encouraging research on the development of behavior in all organisms including humans, with special attention to the effects of biological factors operating at any level of organization. Membership benefits include an online journal subscription to Developmental Psychobiology (for ALL members) and discounted registration at the annual meeting, which is normally preceding and co-located with the Annual Meeting of the Society for Neuroscience (SfN).
