

Call for Abstract Submissions: ISDP DEI Committee Sponsored Symposium

We invite abstract submissions from trainees and professionals across stages for our third annual ISDP DEI Committee-sponsored symposium. This symposium aims to highlight innovative community-engaged research in developmental psychobiology, from preclinical to clinical models.

We welcome submissions featuring methods, data, or practical talks on human or animal research in developmental psychobiology that integrates community partners. We especially encourage creative and innovative study designs that explore new ways of conducting developmental psychobiology research alongside community collaborators.

Deadline: March 17th 2026

Submission Information

To apply, please submit a 250-word abstract and CV by **Tuesday, March 17th**. Selected individuals will be notified by Tuesday, March 24th. Selection does not guarantee presentation at the annual meeting; we will submit the symposium application on **Tuesday, March 31st**.

Please direct submissions to:

Lana Ruvolo Grasser, Ph.D., DEI Committee Chair, lgrasser@med.wayne.edu
Joscelin Rocha-Hidalgo, Ph.D., DEI Committee Liaison, jr1679@georgetown.edu
